Such notification will be by ordinary first class mail. When an applicant fails on the first attempt, he or she is eligible to take the EPPP a second time, no sooner than two (2) months following the first EPPP.

**SECTION 5.5: REPORTING EPPP SCORES.** Applicants will be responsible for having ASPPB report any past EPPP scores to the Board. **SECTION 5.6: REPEATED FAILURES ON THE EPPP.** Any applicant who has failed the EPPP is encouraged to pursue an intensive preparation program prior to re-taking the examination. After two (2) successive failures, an individual may not reapply for licensure until two (2) years after the date of the last failed examination. Applicants who have failed two (2) successive examinations of the EPPP will have their application files closed. Each successive failure will require an additional two (2) year waiting period before reapplication may occur. Applications must be submitted in accordance with the Mississippi Statute and Board Rules and Regulations in effect at that time.

**SECTION 5.7: ORAL EXAMINATION.** When an oral examination is required for licensure, examination panels will consist of three psychologists, at least one of whom shall be a Board member. A Board member will chair the examination panel and will be responsible for the proper conduct of the questioning and completion of the examination forms. Examinations will be recorded by the Board.

**SECTION 5.8: CONDUCT OF ORAL EXAMINATION.** Oral examinations will be conducted no less than twice a year. After passing the written exam and completing the postdoctoral supervision requirement, applicants will be approved to take the oral examination on the date set by the Board. The applicant will be responsible for being on time for the examination. Late appearance may have the effect of canceling the examination for the applicant for that day. An applicant should expect the oral examination to last approximately 45 minutes to 1 hour. At the time of the oral examination the applicant will submit his or her completed jurisprudence examination for review.

**SECTION 5.9: NOTIFICATION OF THE RESULT OF THE ORAL EXAMINATION.**

A new application and payment of fee must be filed according to the Mississippi Statute and the Rules and Regulations of the Boards' in effect at the time of the new application.

**SECTION 5.11: LENGTH OF TIME A LICENSE APPLICATION WILL BE CARRIED.**

If an applicant who is approved to take the EPPP or the oral examination waits more than one year from the date of notice before scheduling the exam the board will retire their file.

If the applicant wishes to reapply, an entirely new application will be required, including payment of application fees. The new application will be based on the Board's law, rules and regulations in effect at the time of the new application.

**SECTION 5.12: OTHER REASONS FOR TERMINATING APPLICATION.**

An applicant who engages in any act that could result in discipline or revocation of an active licensure will have their application terminated from further consideration for a license. The applicant will be notified by certified mail of the Board's action in such a case, and will be given the opportunity for a hearing before the Board should the applicant wish to request reconsideration by the Board.

**SECTION 5.13: LICENSURE.** After all the licensing procedures have been completed and the applicant has been found to possess the qualifications necessary to be licensed as a psychologist under the Laws of Mississippi, the Board shall issue a license under the sign and seal of the Board within ten (10) working days.

**SECTION 5.14: SPECIALTY RECOGNITION.** The Board issues a generic license; it does not recognize specialty areas of practice through licensure. The Board expects the psychologist to practice only in areas in which he or she is deemed competent by virtue of his or her education and training. The Board also expects the psychologist to use in any public statement only those titles to which the psychologist is entitled.

**SECTION 5.15: PROVISION FOR LICENSURE OF SENIOR PSYCHOLOGIST.** The Board may vote to license an applicant who:

Has at least twenty (20) years of licensure to practice in another state, territorial possession of the United States, District of Columbia, or Commonwealth of Puerto Rico or Canadian Province when that license was based on a doctoral degree; and

Has had no disciplinary sanction during the entire period of licensure; and

Has demonstrated current qualifications by successfully passing the oral examination; and

Has completed the appropriate application and tendered fees as required by this Board.

## **ARTICLE VI: EDUCATIONAL REQUIREMENTS FOR LICENSURE**

**SECTION 6.1: EDUCATIONAL REQUIREMENTS.** For the purposes of evaluation of educational programs, the Board will utilize the following criteria to determine if a program is a psychology program:

The program is accredited by the American Psychological Association (APA) or the Canadian Psychological Association (CPA), or

The program constitutes a specialty area where neither APA nor CPA accreditation exists, but is designated as a psychology program by the Designation Committee of the National Register of Health Service Providers and the Association of State and Provincial Psychology Boards.

Graduates of newly established programs seeking accreditation must provide documentation that the program had an active application for APA or CPA accreditation at the time the degree was granted or within 2 years of the degree being granted. The names of programs that have submitted applications for accreditation, and the status of the applications, are available from the APA and the CPA.

**SECTION 6.2: INTERNSHIP.** A minimum of one year of full-time, or two years of half-time predoctoral experience is required.

### **SECTION 6.3: STANDARDS FOR DEFINING THE INTERNSHIP EXPERIENCE.**

The internship must be accredited by the APA or the CPA. The internship shall be appropriate to the applicant's graduate training specialization.

Programs working toward accreditation must have an active application with APA or CPA at the time the intern completed the program or within two years of the applicant's completion of the program. The names of programs that have submitted application for accreditation, and the status of the applications, are available from the APA and the CPA.

The internship consists of a minimum of 2000 hours of supervised experience and must be completed within a two year period. Full time interns shall receive a minimum of four hours of supervision per week, at least two hours of which will include individual supervision.

Other individual or group supervision will be provided when necessary as determined by the Training Director or primary supervisor.

The internship shall be in a setting or settings that, in the aggregate, provide both a broad spectrum of psychological services, and serve a varied clientele. Such a setting should provide experiences that include a variety of diagnostic categories and intervention orientations, supervision by licensed psychologists, and opportunity for consultation and program development.

The ratio of supervision time to direct service time should be sufficient to ensure adequate learning; namely, at least two hours per week of formal, face-to-face individual supervision.

Supervision consists of direct, formal contact with a senior professional who is responsible for the educational development and guidance of the trainee or supervisee. Class work, practicum experience or other course related experience may not be counted as part of the required supervision.

Supervision must be for the direct provision of psychological services by the applicant to individuals or groups of clients/patients. An applicant's own personal growth experience, personal therapy or encounter groups, may not be counted as part of the required supervision experience. The supervision of others may not be counted as part of the required supervision experience.

Supervisors must meet the following criteria:

The supervisor must be employed for no less than twelve (12) hours per week at the facility where the internship experience is obtained; or, if this is not possible due to practical considerations, the applicant must provide evidence of the supervisor's contractual relationship with the facility. In either event, the supervisor must be available for supervision and consultation at any time during the supervisee's work week.

Supervisors must be licensed for practice of psychology in the jurisdiction where the supervision is provided.

The professional qualifications of each direct supervisor must be appropriate to the services rendered.

The supervisor, at the time of supervision, must not be in a dual relationship with the supervisee;

The supervisor must have sufficient knowledge of all clients for whom supervision is provided, including face-to-face contact with the client when necessary, to effectively develop and monitor service delivery procedures and the supervisee's treatment plan.

**SECTION 6.4: STANDARDS FOR DEFINING THE YEAR OF POST-DOCTORAL EXPERIENCE.** The post-doctoral year (second year of supervised experience) is appropriate to the applicant's graduate training specialization. If a post-doctoral year has not been completed, a plan of supervision for the post-doctoral year must be submitted, along with the completed application and accompanying fee for approval by the Board which must address the issues below.

The post-doctoral year consists of a minimum of 2000 hours of supervised experience and must be completed within a two-year period.

The ratio of supervision time to direct service time should be sufficient to ensure adequate learning; namely, at least two hours per week of formal, face-to-face individual supervision.

Supervision consists of direct, formal contact with a senior professional who is responsible for the educational development and guidance of the trainee or supervisee. Class work, practicum experience or other course related experience may not be counted as part of the required supervision.

Supervision must be for the direct provision of psychological services by the applicant to individuals or groups of clients/patients.

An applicant's own personal growth experience, personal therapy or encounter groups, may not be counted as part of the required supervision experience. The supervision of others may not be counted as part of the required supervision experience.

Supervisors must meet the following criteria:

The supervisor must be employed for no less than twelve (12) hours per week at the facility where the post doctoral experience is obtained; or, if this is not possible due to practical considerations, the applicant must provide evidence of the supervisor's contractual relationship with the facility. In either event, the supervisor must be available for supervision and consultation at any time during the supervisee's work week.

Supervisors must be licensed for practice of psychology in the jurisdiction where the supervision is provided.

The professional qualifications of each direct supervisor must be appropriate to the services rendered.

The supervisor, at the time of supervision, must not be in a dual relationship with the supervisee.

The supervisor must have sufficient knowledge of all clients for whom supervision is provided, including face-to-face contact with the client when necessary, to effectively develop and monitor service delivery procedures and the supervisee's treatment plan.

**SECTION 6.5: ACCOUNTABILITY IN SUPERVISION.** It is the supervisor who retains final professional responsibility and accountability for the functions performed by interns and supervisees. For supervised practicum, internship, and post-doctoral supervised experience, the supervisor is responsible for reviewing test protocols, and for reviewing and discussing intervention plans, strategies, and outcomes.

**SECTION 6.6: BURDEN OF PROOF OF TRAINING.** It is the responsibility of the applicant to provide evidence as prescribed by the Board that education, training, experience described as requirements in Article IV of these Rules and Regulations is equal to or exceeds these requirements.

**SECTION 6.7: DIPLOMATES.** Possession of the diploma(s) of the American Board of Professional Psychology (ABPP) shall be considered prima facie evidence that the educational requirements have been met.

**SECTION 6.8: CHANGE OF SPECIALTY DESIGNATION.** A licensed psychologist who desires to change a designated specialty must follow the following guidelines:

The psychologist must take a retraining program in a psychology training program under the auspices of an accredited university department or the professional school that offers the doctoral degree in that specialty designation.

The psychologist taking such retraining must meet all requirements of doctoral training including an internship, which complies with these rules, in the new psychological specialty. The acceptance of credit for relevant course work or requirements which may have been satisfied previously will be the responsibility of the university or professional school which the individual attends for retraining.

Merely taking an internship or acquiring experience in a practicum setting is not considered adequate preparation for any specialty area when prior academic training in the relevant area has not been sufficient to meet doctoral requirements.

The Board recognizes that a psychologist may wish to cross-train or acquire additional skills. Such cross training shall not be a basis for a change of specialty designation without the express approval and recommendation of a qualified retraining program which meets the criteria of Article IV of these Rules and Regulations.

Upon fulfillment of all formal requirements of such training, the Board must be provided with a letter or other documentation from an authorized official of the retraining university or professional school and internship program indicating the successful completion of retraining in the particular specialty area.

Completion of specialty examination by the American Board of Professional Psychology (ABPP) shall satisfy requirements for listing oneself as changing a specialty designation.

## **ARTICLE VII: DISCIPLINARY ACTIONS**

**Section 7.1: Charges** -For the purposes of this rule, "charge" refers to any allegation brought to the Board against a licensee or other person relating to a violation of the Law or the Rules and Regulations. Charges may be preferred by anyone who believes that a violation may have occurred.

Except as noted in item 3 below, all charges referred must be made in writing by the person or persons making them and shall be filed with the Board.

All charges shall be made on forms prescribed by the Board, which are available from the Board. The information required includes the name and addresses of the complainant and the respondent, a concise statement of the complaint with facts supporting the allegation that a violation has occurred and a statement of the relief sought. The complainant shall sign the form.

In instances in which the Board is presented with prima facie evidence of a violation of the Law or the Rules and Regulations, a written statement of charges by the complainant will not be required. The Board on its own initiative, may investigate or cause to be investigated, any allegation or evidence which appears to show that a licensed psychologist or an unlicensed person is, or may be, in violation of the law or rules and regulations governing the practice of psychology in the state of Mississippi

No investigative action will be taken regarding submissions that are neither prima facie evidence nor accompanied by the written statement of charges.

Following the receipt of such charges or prima facie evidence, the Board will proceed to investigate, and unless dismissed as frivolous, unfounded, or filed in bad faith, will proceed in accordance with the provisions of the statute involved.

**SECTION 7.2: Investigative Procedures** Upon the filing of charges or information in accordance with Rule 6.1, the executive director shall refer them to the Secretary of the Board, or other investigative board member for investigation. If the charges or information are first made by or through a Board member if a determination is made that the Board member's objectivity is not impaired, the Board member may serve as the investigative Board member. The Secretary of the Board or designated Board member may institute an investigation of the charges and, after consultation with the investigative committee, determine whether to proceed with a letter of admonition, a consent order, an informal conference, or a formal disciplinary hearing.

Neither the investigating Board member nor any Board member otherwise disqualified shall sit as a member of the Board in any disciplinary hearing resulting from that investigation.

### **SECTION 7.3: Disciplinary Proceedings**

**A. Complaints, Summons, and Notice of Hearing** -For the purposes of this rule, "complaint" refers to the formal documents issued by the Board to initiate a disciplinary hearing. The complaint is based on prior investigation of charges or information and shall set forth a statement of the charges against the accused.

For the purposes of this rule, "summons and notice of hearing" refers to the document accompanying the complaint which compels the respondent to appear and sets forth the time and place of the hearing.

The summons and complaint together with a copy of the applicable Law and Rules and Regulations shall be:

- (1) Mailed by licensed or certified mail, return receipt requested, to either the respondent's last known business or residence address or the most recent address of the accused on file with the Board, or
- (2) Personally served on the respondent, and
- (3) Provided not less than thirty days prior to the scheduled date of the disciplinary hearing.

B. **Consent Orders.** If after receipt of a complaint and prior to the disciplinary hearing an accused desires to admit to a violation, a consent order may be entered into with the accused without the necessity of a disciplinary hearing. This opportunity for settlement shall be within the sole discretion of the investigative committee. Any consent order shall be subject to the approval of the Board and shall not be subject to appeal. The Board may reject a proposed consent order and vote to hold a formal disciplinary hearing.

C. **Informal Conferences.** The respondent may request an informal conference at the Board office with the investigative committee for the purpose of showing that the allegations contained in the complaint are not true. The respondent may have an attorney present only in an advisory capacity. If the respondent desires a conference and the complaint cannot thereafter be dismissed on the evidence, an effort will then be made to reach an informal settlement and consent order.

The informal conference and/or settlement negotiation shall be completed prior to a date ten (10) days before the scheduled date of the disciplinary hearing; provided, however, the Board's investigative committee, at its sole discretion, may continue the disciplinary hearing at the request of the respondent for the purpose of completing said proceedings.

**Source: Miss. Code Ann. §73-13-21**

**SECTION 7.4 Conflict and Bias.** A Board member shall not be entitled to participate in any disciplinary action if the Board determines that such a Board member is personally biased against the accused.

## **SECTION 7.5 Disciplinary Hearings**

A. **Continuances:** It must be recognized that the Board consists of seven (7) practicing psychologists representing various regions of the State. Unlike the judiciary, the Board members are not in the business of conducting hearings; therefore hearings will be held only during regularly scheduled meetings or other dates established by the Board. Attorneys representing psychologists should take this fact into consideration. A scheduled hearing may

be continued if the respondent shows substantial legitimate grounds for continuing the hearing. A grant of continuance shall be based on a balance of the right of respondent to a reasonable opportunity to prepare and present a defense and the Board's responsibility to protect the public health, safety and welfare.

B. Where the counsel for respondent has a scheduling conflict on the initial hearing date continuances shall be liberally granted.

C. Conduct of Hearing:

1. Hearing Examiner. The Board may, at its discretion, appoint some person to act as hearing officer at disciplinary hearings. In the event a hearing officer is appointed, such officer shall preside at the hearing and shall rule on all questions of evidence and procedure in accordance with the provisions of these rules.

2. Plea. The accused shall either admit or deny the charges set forth in the complaint.

3. Opening Statement. Each side shall be permitted to make a short opening statement.

4. Form of Hearing. The Board shall present its evidence, followed by the accused, followed by such rebuttal as may be necessary and proper. Each witness called may be examined in the following manner:

Direct examination

Cross examination

Re-direct examination

Re-cross examination

5. Closing Statement. Each side shall be permitted to make a short closing statement summarizing the evidence presented and urging the application of relevant Law to the evidence presented.

6. Evidence. The Mississippi Rules of Evidence shall be used as a general guide for the presentation of evidence, however any evidence which reasonably appears to be relevant to the issues of the case may be allowed notwithstanding its inadmissibility under said Rules, unless the evidence offered is clearly of a privileged nature.

7. Procedure. The Mississippi Rules of Civil Procedure shall be used as a general guide for the conduct of the proceedings, however formal adherence to said Rules shall not be mandated except as may be reasonably required to promote the ends of justice.

**SECTION 7.6.** Any person aggrieved by the action of the Board as a result of disciplinary proceedings conducted hereunder may appeal there from as provided for in Section 73-31-21 of the Mississippi Code annotated (1972)

## **ARTICLE VIII: CIVIL COMMITMENT CERTIFICATION**

**SECTION 8.1: CIVIL COMMITMENT CERTIFICATION.** The Board is empowered to recognize and certify those psychologists who are qualified to perform civil commitment evaluations for the chancery court and youth courts

**SECTION 8.2: CRITERIA OF ELIGIBILITY.** In order to be certified, the applicant must satisfy the following criteria:

Holds a permanent license to practice psychology in Mississippi and has met educational program and internship requirements in a clinical practice area appropriate to certification to perform civil commitment examinations,

Possess appropriate skill in making a proper diagnosis of the presence or absence of mental illness.

Possesses competence in understanding the civil commitment law, including the legal and ethical implications of involuntary civil commitment.

The last two requirements will be accomplished by means of a written examination, including a written performance sample.

**SECTION 8.3: CIVIL COMMITMENT CERTIFICATION EXAMINATION.** Upon receipt of a request by a licensed psychologist who has received approval by the Board, and payment of the fee set by the Board, the Credentialing Coordinator will schedule the applicant for the next administration of the certification examination. Such examination shall be scheduled annually or more frequently if the number of applicants warrants.

**SECTION 8.4: INELIGIBILITY.** If the applicant is found ineligible for certification, the applicant will be so notified by the Credentialing Coordinator. Such notification will take place within thirty (30) days of the day the Board made the decision, and will be by certified mail. An applicant so notified shall have a period of thirty (30) days following notification in order to file with the Board a written request for reconsideration. Such written request shall include the specific reasons for which reconsideration is requested.

**SECTION 8.5: EVALUATION OF EXAMINATIONS.** The Credentialing Coordinator or other psychologist designated by the Board will score the written examination. In order to pass, the applicant must attain a correct score of at least 75%. The examiner will also score the performance sample examination on a pass or fail basis. A second reviewer may be appointed by the Credentialing Coordinator (or other designated psychologist from the Board) and will also score the written performance sample. To pass the examination, the applicant must receive a passing score from both reviewers. Should the two (2) reviewers not agree, the Credentialing Coordinator will appoint a third reviewer. The majority opinion of three (3) reviewers will determine the outcome of the examination.

The Credentialing Coordinator will report the outcome of the examination to the Board at the next scheduled meeting at which time the results will be ratified by the Board.

**SECTION 8.6: NOTIFICATION TO APPLICANT.** Within fourteen (14) days following the Board's ratification of the examination results, the Board shall notify the applicants of the outcome of their examination. The Executive Secretary shall issue a certificate to applicants passing both sections of the examination. An applicant who fails one or both sections of the examination will be notified of the failure and that they may retake the failed section(s) at the next administration of the certification examination.

**SECTION 8.7: REPEATED FAILURES.** If the applicant fails the civil commitment examination twice, re-examination will be deferred for two years. If the failed applicant wishes to take the exam a third time, the applicant must first obtain supervision and training specific to civil commitment and provide the Board with documentation of such training.

Continuing Education requirements are unchanged.

If a psychologist wishes to give up emeritus status and reinstate a standard license he or she must file a written request with the Board.

## **ARTICLE X LICENSE RENEWAL**

**SECTION 10.1: ANNUAL LICENSURE RENEWAL.** The Executive Secretary shall cause the notices for renewal of licensure to be sent out to each licensed psychologist annually during the month of April. Each licensed psychologist shall return the properly completed renewal form and renewal fee. A license will lapse if the renewal fee is not paid by June 30. **SECTION 10.2: RENEWAL OF LAPSED LICENSES.** Psychologists who allow their license to lapse by failing to complete the renewal form and/or pay the renewal fee or who voluntarily surrender their license while in good standing retain the privilege of renewal. In such cases, the license may be reinstated provided that:

All fees for the period are paid in full, noting that after June 30 of the renewal year, the Board may assess a late fee of \$50.00 plus \$5.00 additional for each month after July, and

All continuing education requirements have been fulfilled, and

There is no evidence that the psychologist has engaged in actions that are in violation of legal statutes or the Ethical Principles of Psychologists during the period of lapsed license.

A psychologist wishing to renew a license that has lapsed for more than two (2) years shall be required to re-apply for licensure, under the statute, rules and regulations and other requirements in effect at the time of initiating the new application process.

**SECTION 11.2: PSYCHOLOGIST'S ASSISTANTS.** Nothing in these rules shall be construed or interpreted in such a way as to limit a qualified assistant to a psychologist in performing duties assigned by said psychologist; except that, no supervised assistant shall perform duties under such supervision that the psychologist is not qualified to perform.

## **ARTICLE XII CONTINUING EDUCATION**

**SECTION 12.1: CONTINUING EDUCATION.** License renewal in odd numbered years requires the psychologist to show evidence of a minimum of twenty (20) clock hours of Board approved continuing education (CE) activities during the two-year period of time ending on June 30 of the-odd numbered year. The Board shall follow the guidelines below in administering this requirement.

### **SECTION 12.2: MINIMUM CONTINUING EDUCATION REQUIREMENT.**

Psychologists shall document successful completion of twenty (20) clock-hours of acceptable continuing education during each biennial period. Continuing education activity is reportable only in clock-hours. A minimum of two (2) of these twenty (20) clock-hours of continuing education must involve topics in professional ethics or legal issues in the delivery of psychological services.

**SECTION 12.3: CRITERIA OF ACCEPTABILITY.** Continuing Education encompasses a wide range of training designed to provide or update knowledge and skills. Acceptable continuing education activities are defined as: (a) formally organized and planned instructional experiences offered by an American Psychological Association approved (APA-approved) or Board approved provider, with objectives compatible with the professional continuing education needs of practicing psychologists, or (b) for registered attendance at psychological or inter-professional conferences or conventions as described below.

The Board establishes no limit on the number of clock-hours that may be applied toward satisfying the continuing education requirement during a biennium for activities offered by APA-approved sponsors or Board-approved providers. These APA credit hours may include home study activities.

For registered attendance at psychological or inter-professional conferences or training programs not offered by APA-approved or Board-approved providers, but directly related to the practice of psychology and lasting one full day or longer, the Board will accept three (3) clock hours for each such conference or training program. During a biennium the Board will accept a maximum of twelve (12) clock hours from such conferences or training programs toward satisfying the continuing education requirement. Such credit requires no advance approval and shall not duplicate approved hours as defined above.

**SECTION 12.4: CRITERIA FOR BOARD APPROVED CE PROVIDERS.** The Mississippi Psychological Association, APA-approved internship and fellowship training programs and graduate training departments of psychology with APA- accredited training programs are eligible to apply for Board-approved CE Provider status. The application process, status determination and review procedures can be obtained from the Board office and in some instances, on the Board website. All APA-approved CE sponsors are considered Board-approved CE providers. Board-approved providers must submit to the Board a list of CE activities they have sponsored on an annual basis; the list of activities should be submitted to the Board office no later than June 30 and will encompass the period July 1-June 30. Board-

approved CE providers must renew their provider status every two (2) years. Renewal forms should be submitted prior to July 1 of the year in which the provider status expires. A list of Board-approved providers may be obtained from the Board office and is available on the Board website.

**SECTION 12.5: REPORT REQUIREMENTS.** Biennial Reporting Period. Licensees must report their continuing education hours to the Board no later than June 30th of odd-numbered years.

**Report Format.** For odd-numbered years, a section of the license renewal form will include a *Continuing Professional Education (CE) Reporting Form* as a means for reporting CE hours. The report must be complete when submitted to the Board office as part of the renewal process. Failure to submit CE hours in the required format will result in an audit of CE hours and may delay the license renewal process.

**Signature.** By signing the biennial Continuing Professional Education (CE) Reporting Form, the licensee signifies that the required CE has been obtained.

**Documentation.** Licensees shall retain corroborating documentation of their continuing education participation. Corroborative documents include certificates of completion that include a statement of APA- or Board-approved provider, receipt of registered attendance or roster of attendance at professional conferences, or other unequivocally clear evidence of the number of hours of CE and provider status. Although corroborating documentation is not routinely required as part of the licensee's submission, the Board may, at its discretion, request such documentation. In addition, the Board will perform a random audit of no less than five (5) percent of the CE reports. Any misrepresentation of continuing education will be cause for disciplinary action by the Board.

**SECTION 12.6: EXEMPTIONS.**

Newly licensed psychologists are considered to have satisfied continuing education requirements for the remainder of the fiscal year in which their license is granted. Therefore, if the subsequent year (July 1-June 30) is a CE reporting year, the newly licensed psychologist shall be required to submit only one-half (1/2) the number of hours specified above, that is, ten (10) hours.

Continuing education activities that are not provided by APA- or Board-approved providers will be accepted only if a written request for approval is made prior to the scheduled program. The request must be received in sufficient time, preferably one month or more, for the Board to review the program for content and appropriateness, insuring that the program has objectives compatible with the professional continuing education needs of practicing psychologists.

CE activities that are not provided by APA or Board approved providers, regardless of their quality or appropriateness will not be accepted after the fact and will not count toward the required 20 hours in the reporting period.

In extenuating circumstance, the Board may consider granting an extension of the deadline for completion of the required continuing education if a plan for compliance is submitted in writing prior to the deadline.

**SECTION 12.7: NONCOMPLIANCE AND REINSTATEMENT.** Noncompliance shall include failure to sign the attestation statement on the Continuing Professional Education (CE) Reporting Form, failure to file a report on time, failure to provide documentation requested for audit, or failure to report a sufficient number of acceptable continuing education clock-hours, as defined above.

Notice of Noncompliance. The Board shall serve written notice of noncompliance to a psychologist determined to be in noncompliance. A plan of compliance or documentation to show compliance must be received by the Board in order for reinstatement to be considered. At its discretion, the Board may impose disciplinary action for a psychologist's failure to fulfill continuing education requirements, as specified in this section.
